

Biography

Christy Kunkel
Client Services Executive

Ms. Kunkel is a recent addition to the Cascade Investment Counsel, LLC team. As Client Services Executive, Ms. Kunkel is responsible for interfacing with clients and industry consultants to ensure customer satisfaction. Additionally, she conducts periodic research in the resource sector.

Prior to joining Cascade, Ms. Kunkel worked in the lumber products industry for many years in human resources. During her tenure at North Pacific Group, Inc, she was responsible for the administration of the company's 401(k) plan, health and welfare plans, and compensation programs. Through her experience at North Pacific, she is very familiar with ERISA and other applicable laws relating to investment management. She understands corporate structure and the components of quality institutions, including competent management teams, a strong balance sheet and growth within the industry.

Ms. Kunkel is a graduate of the University of Montana with a degree in Geology, minor in Geography.
